

# The Danish Tax System

## A tough nut to crack!

**Is filling in your preliminary tax assessment an overwhelming experience? It doesn't have to be! Join our free Danish Tax Seminar this fall and get familiar with the Danish tax system!**

It's time to review your preliminary tax assessment and make your final adjustments, but don't worry – We're here to help you out and give you all the information you need to handle your tax affairs the right way.

At the tax seminar you will get an introduction to the Danish tax system, learn more about the deductions and allowances you're entitled to, and so much more. The Danish Tax Agency will be at hand to guide you through the Danish tax system and answer your questions.

The Danish Tax System Seminars are **free of charge**, but **registration is required**. Check out the **Expat in Denmark** event calendar on our Facebook page to sign up.

*We're looking forward to seeing you at the seminar! Vi ses!*
